

Dear Parents

Arrangements for September

We are looking forward to welcoming all our children back on **Wednesday 2nd September**, we have missed everyone so much! Thank you parents for all your help during the lockdown.

Our priority now is to make sure your children feel safe and happy and to begin teaching a full school week again, ensuring every child gets the support they need.

If you would like a telephone call from a member of the team then please email and we will make sure that happens.

All necessary changes have been put in place ready for a safe re-opening next week. There will still be adjustments and we know, from before the summer, that the children adapted very well to these. We are looking forward to lots of outdoor learning, virtual assemblies, music lessons and much more. And maybe by Christmas (We said it!) things will start to change and we may be able to interact more.

The children will return to school and stay in their year group and class bubbles throughout the day. In the morning, for the first week, teachers will collect their classes from both the upper and lower playgrounds, until the children become used to their new classrooms. After this, children will be able to enter their classrooms as normal at **8:45am**, where their teacher will be waiting for them. Don't worry the teachers will be on the playground with their class lists' ready to greet your child. Please ensure your child remains supervised when being dropped off/picked up.

At **3:15pm** children will be dismissed by their class teacher onto the playground to be collected by their adult. (Reception and infant classes will be ready to leave their classroom at 3.15pm and Juniors will get their things ready from 3.15pm. This allows time to collect the younger children first)

Children and adults will be able to use all the pedestrian gates as normal, we just ask that you respect the social distancing rules of 1m+, walking on the left and keeping your children walking with you. We ask that you do not stop where people need to walk but step to the side if you need to stop walking, so everybody is a safe distance and not held up. Once your child is safely in their classroom please leave the school grounds promptly.

No adults will be allowed into school or the classrooms currently, unless with a pre-booked appointment.

Any messages can be passed onto the school office by email or phone who will then pass these onto the class teacher.

Executive Headteacher: Mrs J Sainsbury

Nursery and Reception children have already received their letter with the information about timings and arrangements for September. Please contact us if you are unsure of any arrangements or you need a school place for your child.

General Information

- Children **will not need** to bring their **PE kit in the first week** of school.
- Children **do not** need book bags and any bags will not be allowed in school.
- Children are to be in full uniform
- School will finish at the new time of 3:15pm
- All children need to be accompanied by an adult. This includes Y5/6 children, they will not be allowed to walk home alone or in a group.
- No sandwich boxes or pack lunches are to be brought into except for any Y3/4/5/6 children who are not free school meals and do not want to pay for a lunch.
- COVID rules still apply for any symptoms of COVID-19 and we will need an up to date contact at all times.
- Currently the COVID numbers are very low in Nottinghamshire and these are monitored daily.

Thank you for your ongoing support, as always. We look forward to a happy, safe and successful year ahead. Children make sure you get an early night on Tuesday as we have lots planned for you!

Mrs Sainsbury and Mrs Baxter
