

White Hills Park Primary Team,
Sunflower Challenge.

4th May 2021

Dear Parents/Carers,

We have been kindly donated sunflower seeds from Morrison's, so thought it would be nice to have a competition across our three Trust Primary Schools.

Each child will bring home a seed they planted in school, to then look after at home, and watch it grow.

They will all have a Sunflower Diary to help them record and measure over time.

Let's see how tall the flowers grow 😊

Week commencing July 12th, children can send a photo of themselves, and the plant with the height of their plant to their school office. We will then let you know the results, and the school with the tallest sunflower, will win a prize for their school garden.

Happy planting,

Mrs L Baxter.
