

17th January 2022

Dear Parents / Carers

As you will be aware, we have had roofing works being carried out on the lower part of our school. The works are nearing completion and the final section of work is above our school kitchen. As the works involve the need to temporarily take the ducting for the fans away, we will not have use of the ovens during week commencing 24th January 2022, **so no hot meals will be provided that week.**

We have arranged for a sandwich meal consisting of a pre-packed sandwich, crisps, a muffin and an apple to be provided every day for children in receipt of Universal and Free School Meals. Children who usually pay for their school meals are also able to take up this option in the normal way.

All dietary and allergy requirements can be catered for. However, we would ask that if your child does have dietary and / or allergy requirements and you would like a sandwich meal provided by school that you let us know **by the end of Tuesday 18th January** so that we can ensure these have been ordered.

We would like to thank you for your patience and understanding whilst these works have been carried out and we are all looking forward to the benefits of a dryer and warmer school.

Kind Regards

N Poxon
