

Dear Parents/Carers,

Year 4 classes are planning a trip to Magna Science Adventure Centre on **Thursday 25th May 2023**. The aim of the visit is to explore various scientific areas including our Science topic of Electricity. During the visit the children will experience different interactive, hands-on activities related to Earth, Wind, Fire and Water. Pupils will take part in a special workshop about Electrical Circuits.

We will be travelling by coach, leaving at 9am and returning to school by 3pm.

The cost of the trip is £6.00 per child. This can be paid via the My Child at School app. Children will need to wear their full school uniform and a warm coat. Payment to be made by **Friday 7th May**. A packed lunch will be required along with two drinks (plastic bottles please). Children in receipt of Free School Meals will have a packed lunch provided for them.

If you are able to help with this trip, please complete the slip below and return to your child's teacher and the office will be in contact to confirm helpers.

Many thanks,

Mr Heritage and Miss Froggatt

Year 4 – Magna Science Adventure Centre - Thursday 28th May 2023

Childs name Childs class.....

- My child will be attending the trip
- I have paid on the My Child at school app
- I volunteer to help with this trip - Contact Number
