

Thursday 5th October 2023

Dear Parents / Carers

We are deeply saddened by the events that happened at the end of the school day on Wednesday 4th October, whereby one of our pupils was unfortunately involved in a road traffic accident. They are currently being cared for by medical professionals. Our thoughts are with the family at this difficult time.

We have support available in school to help your child cope with this.

It is possible that your child may have some feelings and questions that they may like to discuss with you. It is important to give factual, information that is appropriate to their age.

You can help your child by taking the time to listen and by encouraging them to express their feelings. All children are different and will express their feelings in different ways. Over the course of the days to come, please keep an eye on your child and allow them to express their feelings. Although classes will continue as usual, I anticipate that the next few days will be difficult for everyone.

Young people frequently turn to social media to see what others are saying, or to find out more. At these times it is important that you monitor their use and engage with them about what they read.

If you would like any advice or to discuss anything further, then please do not hesitate to contact school.

Yours sincerely

Mrs L Baxter
