

28<sup>th</sup> June 2023

Dear Parents / Carers

### **Before & After School Care**

We are excited to announce that from September 2023 we are able to increase the number of children that we can take into our before and after school provision to 26. In order to do this, we will have to make a few changes, including moving from the Bungalow back into the main school hall.

We will have three members of staff for each session and will still provide a healthy breakfast and a snack at the end of the day.

The provision will still only be for children in reception to year 6, unfortunately, we cannot take children of nursery age.

**The after-school session will now finish at 5:45pm.**

We will still be keeping the late collection charge, this will be applied should you be after this time, which will be noted and reviewed.

Due to rising costs, there will be a slight increase to the fees per session as below;

#### **Before School**

Monday – Friday 7:30am – 8:45am      £5.00 per session  
**(no entry after 8:30am)**

#### **After School**

Monday – Friday 3:15pm – 5:45pm      £9.50 per session

**It is important that you do not make any bookings yourself and that all requests come through the office.**

We thank you for your cooperation and understanding with the changes being made to our provision and look forward to your continued support.
